About Home Away From Home

Home Away From Home is a non-profit hospitality ministry serving cancer patients and their caregivers who must reside in Little Rock while receiving bone-marrow transplants and other cancer treatments at the UAMS Myeloma Institute for Research & Therapy and the Winthrop P. Rockefeller Cancer Institute. This community service is administered and primarily funded by members of Little Rock Church. Home Away From Home welcomes financial support and volunteer participation from individuals, churches and business to nurture an atmosphere of cooperation and to live out Jesus’ words in the Book of Matthew chapter 25:

“I was a stranger and you invited me in... I was sick and you visited me.”
