

Recharge is a weekend retreat for students in 6th-12th grade. It's a time to step away from the normal routine, disconnect for media, reconnect with one another and God. The weekend includes worship, recreation, games, rest and more. Our goal is for students to grow in their relationship with God while stepping back and recharging.

This year's Recharge is March 4-6, 2016 at Camp Wyldewood. Cost is \$55 before February 14. Discounts are available for families with more than one student and those who bring a friend. Contact Chad Nall (chad@littlerockchurch.org/501-455-0900) for more information.
